# Social Media Content Calendar

The image displays two overlapping screenshots of a social media content calendar for March 2024. The top screenshot shows a monthly view from Sunday to Saturday, with dates 25 through 31. The bottom screenshot shows a weekly view from Sunday 17 to Saturday 23. Both views feature a grid of scheduled posts with icons for Facebook and Instagram, and some posts include analytics such as 'Website visitors Completed' and 'Link clicks Completed'. The posts are organized by date and time, with some posts having multiple scheduled times per day. The calendar interface includes navigation tabs for 'Week', 'Month', and 'Today'.
